**CAMDEN PLACE 2022 UNGUARDED POOL HOURS
WAIVER AND RELEASE OF ALL CLAIMS AND ASSUMPTION OF RISK**

Please read this form carefully and be aware that in signing this form, you will be expressly assuming the risk/legal liability and waiving and releasing all claims for bodily injuries, property damage, or loss that you and your minor child/ward might sustain as a result of swimming or engaging in any activities connected with and associated with swimming in and using the Camden Place swimming pool and facilities during Unguarded Hours.

The undersigned resident(s and/or guests in the Camden Place subdivision (each of the signers hereinafter referred to as "I" or "me") is/are executing and delivering this Waiver and Release of all Claims and Assumption of the Risk (this "Release") in consideration for the grant by the Camden Place Homeowners' Association (the "Association") of a license (the "License") to use the Camden Place pool, the equipment therein and the surrounding environs of the pool bounded by the fence (collectively, the "Pool") during Unguarded Hours. "Unguarded Hours" are those hours during Regular Pool Hours when a lifeguard is not on duty. A "Qualified Resident" is a resident of Camden Place 18 years of age or older who has signed this Waiver and Release form and/or a resident of Camden Place younger than 18 whose parents or guardians have signed this Waiver and Release Form on his/her behalf. Babysitters, nannies, grandparents, or other caretakers/relatives who do not reside in Camden Place as their primary residence are not Qualified Residents. However, those individuals or others who are guests of Qualified Residents may sign this Waiver and Release Form to use the Pool during Unguarded Hours. "Minor Child/Ward" are Qualified Residents younger than 18. NOTE: Any Qualified Resident younger than 13 years of age must be accompanied by a Qualified Resident 13 years of age or older to use the Pool during Unguarded Hours.

I understand that the Regular Pool Hours will be published on the Camden Place Homeowners Association website each year by the Pool Committee. Access to the Pool is prohibited to everyone during times other than the Regular Pool Hours. In consideration of the License and smartphone access to the smartphone app that controls the Pool gate, I agree to be bound by and comply with the terms and conditions of this Release, including but not limited to compliance with the rules and regulations regarding the use of the Pool as set forth

in the Pool Rules, and more specifically, the section of the Pool Rules relating to the use of the Pool during the Unguarded Hours as set forth below.

CAMDEN PLACE SWIMMING POOL REGULATIONS

- I agree to voluntarily use the Camden Place Pool during Unguarded Hours with full knowledge of the potential dangers involved, including risks of injury or death;
- The Pool will be accessible during Unguarded Hours to Camden Place Qualified Residents and guests of Qualified Residents who are at least 13 years of age (a "Qualified Resident") via a smartphone app. Qualified Residents or guests of Qualified Residents under 13 may use the Pool during Unguarded Hours only if accompanied by a Qualified Resident or guest of Qualified Resident who is 13 years of age or older;
- The Qualified Resident or guest(s) acknowledges and agrees that he/she is not authorized to bring into the Pool during Unguarded Hours any Resident children or family who have not signed this Pool Waiver and Release and/or on whose behalf this Waiver and Release has not been signed. Only Qualified Residents or guests who have signed this Waiver and Release or whose guardians have signed this Waiver and Release on his/her behalf are allowed in the Pool during Unguarded Hours;
- Qualified Residents or guests using the Pool area are responsible for all clean-up, returning all pool furniture to the normal arrangement, leaving the Pool area promptly at closing, and locking all gates upon leaving;
- There will be no horseplay, misuse of Pool facilities, dangerous/loud behavior, parties, or misconduct of any type by homeowners during Unguarded Hours. For the purpose of this agreement, groups of five or more people will constitute a party. The HOA reserves the right to determine at its discretion if observed behaviors (via installed cameras) qualify as unacceptable behavior to sanction or remove violators;
- To ensure that security is maintained in the Pool area, and to comply with the requirements of our insurance policy, lifeguards must ensure that all swimmers vacate the Pool area and return using their OWN smartphone app during periods when Unguarded Hours follow a guarded period;
- The use of the diving board is strictly prohibited during Unguarded Hours. This is considered "misconduct" and dangerous behavior;
- The Pool gate will/must remain locked at all times during Unguarded Hours. Each Qualified Resident or guest must "lock up" after entering/leaving the Pool area, even when other Qualified Residents are still in the Pool area. (i.e., the gate is not to be propped open). Under no circumstances are pool users allowed to open the gate for another person(s) or to leave the gate open;
- During inclement weather, the Pool area must be vacated. Specifically, all Qualified Residents and guests must exit the Pool for a period of 30 minutes after the last thunder is heard or the last lightning seen. In the case of heavy rain (Pool bottom not visible), all Qualified Residents and guests must exit the Pool until the Pool bottom is visible;
- Except for qualified emergency personnel, under no situation may a person who is not a Qualified Resident or guest of a Qualified Resident enter the Pool during Unguarded Hours;
- Violation of any one of these rules as stated will result in an immediate suspension of Pool privileges for the Qualified Resident and guest(s) of Qualified Resident who violates such rule(s) for the remainder of the Pool season at the discretion of the HOA Board;
- I understand that swimming poses inherent risks, and I acknowledge that I, as well as any Minor Children/Ward on whose behalf I sign this waiver, are competent swimmers, and I assume, on behalf of myself and my Minor Children/Ward, all responsibility for my conduct, health, and safety using the Association's swimming pool and pool facilities without lifeguard supervision;
